

Finance & Mobility Officer

Do you dream of cash and cars? Of course, who doesn't?

We are on the hunt for a **Finance & Mobility Officer (aka Cash & Car Commander)** to join our team!
Are you someone who loves crunching numbers just as much as you enjoy managing a fleet of vehicles?
Are you eager to kickstart your career in the animal health industry?
If you have a flair for finance and a love of mobility, then we want **YOU** to join our journey!

Who we are

We are Vetoquinol Belgium, the Netherlands and Scandinavia, pioneers in the animal health industry. Our mission? To enhance the lives of pets and their owners. From innovative veterinary solutions and products to exceptional customer care, we don't just play the game - we change it

What you will be doing

- Assist in financial administration, from booking of all accounting documents to managing expense notes (because numbers matter!)
- Be the go-to expert (aka SPOC) for fleet & mobility, handling company car contracts to insurance and mobility policies
- Support credit control & accounts receivable to ensure we are always paid on time
- Help with payroll payments, financial reporting and internal/external audits – keeping everything running smoothly
- Dive into exciting finance projects and assist in integrating new digital finance tools (fancy tech alert!)

What we are looking for

- A Bachelor's degree in finance, accounting or a related field
- Fluency in Dutch (essential!) and good proficiency in English
- Someone who can juggle budgets, balance spreadsheets and steer wheels like a pro
- A strong team player with a positive attitude (we love good vibes!)
- A sharp eye for detail and accuracy
- A willingness to learn and grow in a fast-paced environment
- JD Edwards ERP knowledge is a plus (bonus points!)

Why you will love it here

- A global animal health player ranked in the top 10 worldwide, with a family-owned atmosphere
- Competitive compensation with an extensive benefits package (because cash is king!)
- A fun, supportive team that's committed to helping you grow in your career
- A fleet of opportunities to explore (no, really, you'll manage the fleet)
- Flexible hybrid working: 2 days in the office each week, offering the perfect work-life balance
- Opportunities to develop key skills in finance, risk management and mobility
- Bring your furry friend to our state-of-the-art office in Niel, Belgium (yes, we mean your pets!)

Are you ready to turn your passion for numbers and wheels into a career?
